The kilt is a legendary symbol of Scotland. Blåkläder has taken the kilt and created a different type of functional clothing for those who want to make a statement and enjoy the comfort and ventilation that a kilt provides.

This hi-vis kilt features CORDURA®-reinforced holster pockets and back pockets. The exceptionally comfortable kilt is crafted from highly durable ripstop fabric.

Together, the hi-vis fabric and segmented reflective trim provide the wearer with enhanced visibility. Lining with camo print and loops for a belt.

Certified under the EN ISO 20471 standard, Class 2.
